113/3/20 Consider forthcoming village participatory events

- **Village Triangle** – to be added to April agenda to fix date for working party

The Council **resolved** to pay the subscription to LALC. After discussion it was **resolved** that training would be paid on a course by course basis as it was doubtful if it now provided value for money as it only covered core subjects.

116/3/20 Financial Matters & Clerk's Report

Nationwide was still not resolved as it appeared the account has been frozen pending contact. Clerk, Cllr Pout and Cllr Yeomans to book an appointment with Bank Manager to try and sort it out.

Clerk has attended LCC training for the new Parish Council accessible website hosted by LCC.

Further to minute 89/1/20 regarding the purchase of 11th edition of Local Councils Administration by Charles Arnold Barker, the Clerk was advised to put off the purchase until the 12th edition due out in September. The RRP for the new edition is £150 but is likely to retail at around £130. Revision of purchase to be added to April agenda.

The 2 parishioners raised issues regarding safety issues relating to the road outside their house as there had been 3 accidents in the last month. The Clerk is to contact Highways to raise concerns and see if anything has replaced the village walkaround.

Cllr Pout has been updating the North Kyme Village Website and asked if anyone had any stories they would like to add to the history section. Cllr J Yeomans suggested the older members of the parish were interviewed for their memories.
