

North Kyme Parish Council

LONE WORKING POLICY

We will protect staff from the risks of lone working, as far as is reasonably practicable. Working alone is not in itself against the law and it is often safe to do so. However, the council's policy is to consider carefully and deal with any health and safety risks for those who work alone.

Definition

'Lone Worker' refers to people who work by themselves without work colleagues either during or outside normal working hours. Examples include:

- A caretaker who opens and closes a hall either early in the morning or late at night
- A groundsman tending to green space
- Office workers who work alone in the premises, and,
- Homeworkers.

Any worker under the age of 18 years, or anyone working in confined spaces is not permitted to work on their own.

Responsibilities

All staff have a responsibility for the health and safety of work colleagues. The key responsibilities are as follows:

Managers

- Will try to avoid the need for lone working as far as is reasonably practicable;
- Ensure that the worker is competent to work alone;
- Ensure that all lone working activities must be formally risk assessed. This should identify the risk to lone workers; any control measures necessary to minimise those risks; and emergency procedures;
- Arrangements for lone working must be made clear to staff and the details of what can or cannot be done while working alone explained;
- Lone workers must be informed of the hazards and understand the necessary control measures that need to be put in place and have the opportunity to contribute to the risk assessment;
- Must raise the alarm if staff cannot be contacted or do not return as anticipated
- Must ensure that all staff are aware of this lone working policy and procedure and provide appropriate levels of training and guidance on lone working.

Lone workers

- Take reasonable care of themselves and others who may be affected by their work
- To follow any instruction given by management or the council
- Raise with their line manager any concerns they have in relation to lone working
- Not to work alone where there is adequate information to undertake a risk assessment.

- Inform their line manager at the earliest opportunity in the event of an accident, incident of violence or aggression whilst working alone

Staff

- To be aware of colleagues working on their own and alert to unexpected changes of routine, unanticipated periods where there is no communication.
- Buddies should ensure they maintain and share up to date contact details (see below)
