## Parish Council News

The village was given 12 passive speed signs which have now been erected through the village, also on the subject of road safety we have asked for the 30 and 40 speed limits to be extended at the Sleaford end of the village, the footpath at that end to be extended for the safety of the school children living on Ferry Lane and for the bus stop to be made safer outside the old school.

Hopefully if it is considered we have enough volunteers Speedwatch may finally get off the ground with training starting at the end of the year. If you would like to be part of this and help make the village safer contact Cllr Andy Yeomans on 07943980301.

The Coming Out-Out party was a great success with a good turn out enjoying the sunshine, food and activities. As a result the Parent and Tots group received another couple of enquiries and a villager suggested a community book swap which will be explored. If you have any suggestions for the village contact one of the Parish Councillors or myself at [northkymenewsletter@gmail.com](mailto:northkymenewsletter@gmail.com).

*As this will be the last newsletter before Christmas, we would like to wish you all a Merry Christmas and a happy, healthy New Year.*

**North Kyme Darby and Joan Club – The end of an era** – The end of August saw the sad closure of North Kyme Darby and Joan club due to ever dwindling numbers in recent years. The club was founded in 1957, and ran for 64 years with founder members including Mrs Harrod, Mrs Everard, Mrs Dring and Mrs McGrath. There used to be up to 45 members and records show that in 1995 there were 39 members, including 12 men. Members came from South Kyme and Billingham and over the years lasting friendships have developed between members, creating a lovely friendly atmosphere at meetings.

A very wide range of speakers have come to the monthly meetings, from woodturners to ice-cream makers, and pyrography demonstrators. One of the highlights of the year was the annual Christmas party when a lovely tea prepared by the members was followed by an evening's entertainment from singers, organ players and brass bands. Probably one of the best loved entertainers were the Billingham Amateur Theatrical Society, led by the delightful couple Ivan and Barbara Spencer.

The annual Garden Fete, was often hosted by Pidge and Reg Wood. And it was usual for the club to have three annual summer day outings, plus a trip to Skegness for shows at the Embassy theatre. The outings enabled people to go to places they might otherwise have never gone to.

We remember with gratitude the past and present members of the club who have played a vital part in making the club such a successful venture in our village, and mindful of the support given to the club by the villagers over the years.

*Kind regards Richard Abrahams*

*On behalf of the village, we would like to thank the committee who organised and kept things running for so long.*

Before another village activity passes into history would anyone be interested in reviving the indoor bowls club? If so, contact Geoff Panton on 01526 860598.
