North Kyme in a

Nutshell

Summer 2023

Welcome to the Summer edition of North Kyme's newsletter. The parish council meets at least 8 times a year to discuss events, projects, and improvements within the community. There is time allocated within each meeting for local villagers to share input and views with an aim to improve our village.

The next parish meeting will be held on Wednesday 12th September from 7.30pm in the village hall. If you wish to attend, please notify the Parish Clerk before the meeting with your suggestions via email parishclerk.northkymepc@gmail.com or telephone: 07305 640694.

Even in the current difficult financial climate the Parish Council continues to improve the village. With ongoing projects including

1. Refurbishment of the bus stop located on the high street.
2. Refurbishment of the children's playground. (Awaiting funding approval).
3. On-going fundraising to purchase a speed awareness camera. (we're always looking at ways to raise money for this project, if you have a bright idea, please let us know).
